

Overbrook Park

The Overbrook Park located at 5711 Randolph is a great place to relax spring, summer, fall and winter. This beautiful five-acre recreation area contains an Olympic size swimming pool complete with two slides, two diving boards and a large shallow area providing great summer fun. The swimming facility also has a small shallow wading pool for toddlers and babies to play and enjoy. The pool opens in late May on Memorial Day weekend and closes in September on Labor Day. Trained lifeguards are on duty to provide water safety and assistance. There are adult swim times which include a rejuvenating water aerobics class. Changing facilities are available and include bathrooms and hot showers. The pool is available for after hours rental during the swimming season. The pool is a great place for a summer birthday or family party.
